

International Symposium
**Ecology of
Aphidophaga 15**
Lleida 2022

19 to 23 September 2022

The [15th International Symposium in Ecology of Aphidophaga](#) will be held at the University of Lleida (Catalonia, Spain) from 19 to 23 September 2022. Aphidophaga is a meeting focused on the ecology of arthropods that have evolved feeding relationships with aphids, many of which provide ecological services as biological control agents of pests in agricultural, forest and urban ecosystems. The Aphidophaga 15 is supported by the International Organization for Biological Control (IOBC) that promotes biological control to reduce the use of synthetic pesticides.

Scientific experts from around the world will meet to present scientific advances and ideas in a friendly and convivial atmosphere. The Symposium fosters a variety of perspectives on aphid biological control and creates opportunities for multinational collaborations among participants.

The organizing committee considers that your company may be interested in supporting this symposium. You can find below some sponsor opportunities, but we will also be happy to discuss other options that might fit better your organisation. We hope that we may count on you to be among our sponsors!

The organizing committee

Dr. Xavier Pons. Universitat de Lleida

Dra. Matilde Eizaguirre. Universitat de Lleida

Dr. Jesús Avilla. Universitat de Lleida

Dra. Belén Lumbierres. Laboratory of Plant Health. Generalitat de Catalunya.

Dra. Carmen López. Universitat de Lleida

Dra. Dolors Bosch. Agrifood Institute of Research and Technology. Lleida

Mr. Roberto Meseguer. Universitat de Lleida

Mr. Alexandre Levi-Mourao. Universitat de Lleida

SPONSORSHIP OPPORTUNITIES

PLATINUM SPONSOR

1 500 € or +

- Logo of the company in the program and on the website in a prominent site
- Promotional material in the conference bag
- Logo in the background screen between sessions
- Financial support mentioned during the opening speech of the congress
- One free conference registration
- Promotional stand (kiosk) if required
